

To: All our Partners in the EOHU Area

Subject: Increasing our COVID-19 Vaccination Coverage Rates

We need your help in increasing our COVID-19 vaccination coverage rates. We are requesting that you promote the COVID-19 vaccine to your clients in an effort to continue curbing the number of COVID-19 infections in our communities and return to normal as quickly as possible.

Anyone interested in booking an appointment for their COVID-19 vaccine, can call the Provincial Vaccine Booking Line at 1 833 943-3900. Your clients can also directly book an appointment by heading to covid-19.ontario.ca/book-vaccine.

We are also offering your clients the opportunity to attend a clinic without an appointment. They will just have to mention which community partner referred them to the vaccination clinic. Any clients who head to a vaccination clinic in the EOHU area without an appointment must show proof of residency demonstrating they live in the United Counties of Stormont, Dundas and Glengarry, Prescott-Russell, the City of Cornwall or Akwesasne. [Learn more about how your clients can get a COVID-19 vaccine without an appointment](#). Your clients can also put their name on the EOHU's [COVID-19 Vaccine Standby List](#) and receive a vaccine if there are any extra doses on a given clinic day.

If your clients have any questions about the COVID-19 vaccine, please have them contact the EOHU at 1 800 267-7120.

Thank you for your continued collaboration to keep our community safe.
